ABOUT US

Cubecon Infra LLP is a dynamic and committed civil contracting company contributing to India's most prestigious infrastructure development projects. We are actively involved in nation-building initiatives such as the Western Dedicated Freight Corridor (WDFCC), the Delhi–Mumbai Expressway, and the Mumbai–Ahmedabad High-Speed Rail.

Our core strength areas include Ground Improvement Works, Earth Work, Road Work, Stone Pitching, Gabion Work, RCC Drain Work, Box Culvert Work, and Mass Concrete Works such as Protection Walls and Platform Works. With a strong foundation in civil engineering excellence, we specialize in executing complex and challenging infrastructure works, delivering high-quality construction solutions while maintaining strict timelines, safety standards, and cost efficiency.

We have successfully executed projects for major industry players including Tata Projects Ltd. (WDFCC Project), L&T Construction (WDFCC Project), Sadbhav Engineering (Ankleshwar–Kim Expressway), L&T Heavy Engineering at Hazira (area levelling, soil filling and rubble pitching), Hindalco Industries Ltd. at Dahej (machinery supply), Surat Municipal Corporation (with M/s J.M. Shah), and Relcon Infra Project Ltd. at Surat Airport (area levelling earthwork). All these projects were completed within stipulated time limits under our earlier organisation, Harshiv Enterprise, before the same ownership launched M/s Cubecon Infra LLP on 23rd January 2024.

M/s Cubecon Infra LLP was incorporated in India on 23rd January 2024, with LLPIN ACF-1098, registered with the Registrar of Companies (ROC), Ahmedabad, under the directorship of Mr. Mayankkumar Rameshchandra Patel and Mr. Ahesanali Haiderali Sheliya.

OUR STRENGTHS

- Execution of Challenging Projects — we successfully handle difficult site conditions, including material shortages, fluctuating price factors, and logistical constraints.
- Strong Project Management — our team excels in time management, resource planning, and overcoming local coordination challenges without disrupting project flow.
- Commitment to Civil Ethics — integrity, transparency, and professionalism are the pillars of our work culture.
- Quality & Safety Focus — every project meets required engineering standards and safety regulations.

OUR APPROACH

At Cubecon Infra LLP, we believe infrastructure is not just construction — it is a responsibility toward society and future generations. We work with a solution-oriented mindset, addressing every obstacle with innovation and teamwork.

Our goal is complete client satisfaction and harmony among all stakeholders, including government authorities, consultants, suppliers, local communities, and project partners. We ensure smooth project execution while maintaining strong professional relationships with all parties involved.

OUR COMMITMENT

- On-time project delivery
- Cost-effective solutions

- Sustainable construction practices
- Transparent communication
- Long-term client partnerships

Cubecon Infra LLP is proud to be part of India's growth journey, building strong foundations for a stronger tomorrow.

Nature of Work	Civil Contractor
Directors	Mr. Mayankkumar Patel Mr. Ahesanali Sheliya
PAN No.	AATFC5296P
GSTIN No.	24AATFC5296P1ZI (Gujarat)
Bank Details	IndusInd Bank Limited, Kamrej Branch — IFSC: INDB0000265
Financial Capacity	Can handle projects up to Rs. 20-30 Crore through own resources

ORGANISATION & STAFF

Main Staff Members

Sr.	Name	Designation	Experience
1	Mr. Mayank Patel	Director	18
2	Ahesanali Sheliya	Director	10

Technical Staff Members

Sr.	Personnel	Designation	Qualification	Exp. (Yrs)
1	Mr. Sanjay Desai	Civil Engineer	B.E	10
2	Mr. Vishal Puri	Mining Engineer	Geologist	8
3	Mr. Shahid Khan	Civil Engineer	M.E	4
4	Mr. Ruchit Patel	Site Manager	Metric	12
5	Mr. Jignesh Prajapati	Accountant	B.Com	12
6	Mr. Bharat Ahir	Electrician	HSC	9
7	Mr. Sanip Patel	Assistant Accountant	B.Com	8
8	Mr. Hiren Patel	HR Manager	B.Com	4
9	Mr. Prashant Patel	Machinery Supervisor	Metric	11
10	Mr. Sawai Dan	Site Supervisor	BA	6

OUR CLIENTS

We are proud to have earned the trust of some of India's most respected infrastructure and engineering organisations, delivering critical work on their flagship national projects.

TATA PROJECTS LTD.	L&T CONSTRUCTION	SADBHAV ENGINEERING
HINDALCO INDUSTRIES LTD.	PNC INFRATECH LTD.	NHSRCL
PARKMORE PVT. LTD.	SURAT MUNICIPAL CORPORATION	RAPT INFRA PVT. LTD.
G.R. INFRA LTD.		

PROJECT MILESTONES

A track record of successfully delivered infrastructure work for India's leading construction and engineering companies.

Period	Client	Scope of Work	Value (Lakh)	Status
2019-20	J M Patel & Co.	Formation Work — DFCC Rail Project	44	Done
2020-21	Rapt Infra Pvt Ltd	Ground Improvement — DFCC Rail Project	10	Done
2020-21	M S Engineering Works	Soil Work — GR Infra Site Office	15	Done
2020-21	Tata Project Ltd	Embankment Work — DFCC Rail Project	125	Done
2021-22	PNC Infratech Ltd	Bharatmala Project — Delhi-Mumbai Expressway	30	Done
2021-22	Parkmore Pvt Ltd	River Access Road — National High Speed Rail	225	Done
2021-22	L&T Construction (Sanjali)	Formation Work — DFCC Rail Project	150	Done
2021-23	L&T Construction (Vapi)	Formation Work — DFCC Rail Project	98	Done
2022-23	L&T Construction (Surat)	Formation Work — DFCC Rail Project	280	Done
2022-23	JS Assignment	National High Speed Rail — Casting Yard	35	Done
2022-23	G.R. Infra Ltd	Bharatmala Project — Delhi-Mumbai Expressway	180	Done
2022-23	Jagdish Construction Co.	G.R. Infra — Delhi-Mumbai Expressway	192	Done
2022-24	PSOVL Railone LLP	NHSRCL Sleepers Plant Development	200	Done
2023-24	J.M. Shah	National High Speed Rail — Casting Yard	85	Done
2023-24	L&T Construction (Thane)	Formation Work — DFCC Rail Project	619	Done
2024-25	L&T Construction (Thane)	TSS & Casting Yard — NHSRCL C3 Project	850	In Progress
2025-26	L&T Construction (Surat)	Road Work — NHSRCL C4 Project	200	In Progress

MACHINERY & EQUIPMENT

A. Earthwork Equipment

Description	Qty	Remarks
Excavator — Poclain	4	Tata Hitachi LC-220
Excavator — Poclain	2	Tata Hitachi LC-110
Excavator — JCB-3D	2	JCB Loader/Backhoe
Hywa Tipper (10-wheel)	9	Tata 2518, Capacity 16 Cum
Hywa Tipper (12-wheel)	16	Tata 3525, Capacity 23 Cum
Soil Compactor (Vibrator)	2	11 Ton Capacity
Grader	2	Komatsu 511
Dozer D50	1	Caterpillar
Tractor	3	45 HP, 55 HP, 65 HP
Water Tanker	2	Hindustan 8000L, Truck-mount 12000L
Laser Level Machine	1	Fieldking

B. Other Special Machinery

Description	Qty	Remarks
Dewatering Pump	2	10 HP
Rotovator	1	Shaktiman Brand
Air Compressor	1	Atlas
Diesel Generator	2	Atul Power, 7.5 KVA

C. Surveying Equipment

Description	Qty	Remarks
Auto Level	4	Sokia
Total Station	1	GeoMax
Rotary Laser	1	Topcon

OUR COMMITMENT TO QUALITY

We have consistently satisfied our clients through disciplined documentation and process control — including daily work permits, daily soil trip reports, daily machinery usage reports, and layer-wise field density measurement to ensure required compaction thickness at every stage.

A dedicated safety supervisor monitors every site to uphold safety alongside quality and quantity of work. We continually learn from our reputed clients and their working standards, striving to meet every requirement in Quality, Safety, HR Compliance, and On-Time Project Completion.

— THANK YOU —
